

PLANNING WITH RESPONSIBILITY WILL HELP TO REDUCE VULNERABILITY

Give special attention to disabled, helpless, elderperson, and children during the time of disaster

Disseminate information and problem by keeping close relationship with media

Keep Contact with different Govt. Departments for better co-ordination.

Keep provision to insure the resources available with you which will help to compensate your losses

Organise Mockdrill with the existing Taskforce like search & rescue group, First-Aid, Early warning regularly

Organise Preparedness meeting regularly with Taskforce and Disaster Preparedness Committee
